DATES OF LEG. HAHN'S 2014 COMMUNITY MEETING SERIES ANNOUNCED

PORT JEFFERSON, NY - Suffolk County Legislator Kara Hahn (D-Setauket) today announced the dates and locations of three upcoming community meetings to be held throughout the Fifth Legislative District. These participant oriented gatherings are intended to provide residents with an opportunity to share their thoughts about Suffolk County and community related issues directly with their Legislator.

"I want to hear from residents across this district on the issues that concern them and what they ultimately want the future of our community to be," said Legislator Hahn. "I want to hear from all of you, so I can best represent your interests everyday as your Legislator."

Earlier this week, residents joined Legislator Hahn for a lively discussion during the first of the 2014 community meeting series. That well attended event, held at Comsewogue High School, focused on multiple topics and the suggestions offered will serve as a guide for Legislator Hahn's continued service to the community.

With public hearings to be held throughout the District, all residents are encouraged to attend one of the remaining forums to share their visions:
